## ABOUT

I'm a stubborn person. Whatever I set my mind to, I see it through. I love experimenting with new things that spark my interest, especially when it comes to development. I want to create my own business and run it the way I envision.

## EDUCATION

- Informatics at Athens University of Economic and Business (Currently in my 4th and final year)
- Anavrita Model Public High School graduate with 19.3/20 grade

## ACHIEVEMENTS

- 9.13/10 GPA in my department
- Ranked first in the Panhellenic exams 2021-2022 for admission to Informatics department
- 19.150/20.000 grade in Panhellenic exams 2021-2022
- B2 Diploma for German language (ÖSD)
- C2 Diploma for English language (ECPE)
- [Reached 3<sup>rd</sup> phase of Panhellenic Mathematics competition](#)
- AI Hackathon 7th place
